Diane

I received your voicemail regarding Cong. Johnson's request that EPA send a representative to the Councilman's meeting next week. You noted that they understand the full team is not available and that they are okay with a note taker that could convey back questions from the meeting.

I am proposing that we send the CIC to the meeting. I checked with the CIC Ed McKeel and Tony Talton and Ed can cover the meeting.

Let us know if that is acceptable and we can make arrangements.
